Mi Tierra, Spanish for “our native earth”. This 2016 vintage is only the fourth Mi Tierra release that we have produced! This 2016 Barrel Select showcases depth and intensity from Syrah and Petit Verdot grapes thriving through Idaho’s Snake River Valley. Following fermentation, our Barrel Select is aged in New French Oak barrels for three years. This wine conveys the loveliness of Idaho’s Land.

Tasting Notes

Mi Tierra is a full-bodied, powerhouse wine with firm oak tannins. Aromas of boysenberry and black currant greet the nose with hints of ginger and anise. The ripe flavors of rich black fruit and dark chocolate are accompanied by earthy vanilla notes, leading to a long, elegant finish. This Mi Tierra will continue to develop greater complexity and character with additional aging.
